BENEFITS

Aesthetic and discreet

This cost-efficient fence is made out of welded mesh, manufactured from steel wire, resistance welded and then plastic coated. At 1 inch from the top, the mesh is reinforced with a second selvedge wire. This discreet fence is available in green.

High longevity

The wire is galvanized, resistance welded and plastic coated with maximum adhesion.

Mesh

Welded mesh, manufactured from galvanized wire, resistance welded and then plastic coated. The horizontal wires show a crimp at every mesh. At 1 inch from the top, the mesh is reinforced with a second selvedge wire.

Coating technique

The rolls are made out of galvanized wires. A pre-treatment process guaranties a perfect PVC coating adhesion to the product surface.

Colors

Fence: green BF 6073
